Pet Home/Companion/Health Guarantee/Bill of Sale

Your puppy has had all age-appropriate vaccinations. You (the purchaser) must take your puppy to a Licensed Vet within 2 working days of receiving the puppy with the exception of any vet affiliated with Banfield or Pet Smart. **Use of this clinic is completely prohibited by Southern Grace Schnauzers.** Doing so will completely void this contract. You must then send me a copy of the vet's examination within 1 day of the said appointment. **Failing to do so will void this entire health guarantee.**

If the puppy is found to have life-threatening genetic defects by a Licensed Vet you may return the puppy immediately at your expense (within 72 hours), with a Licensed Vet's explanation to prove defect. At that time, I will give you a full refund for the price of the puppy alone or replace the puppy with another puppy of equal value. No replacement or refund will be given on a deceased puppy without a full Necropsy performed to determine cause of death. In the unlikely event that your puppy has an unforeseen life-threatening genetic or hereditary defect within **one year of age** I will replace your puppy with a puppy of the same quality for the price of the puppy alone and you return the ill puppy to me at your expense, with a Licensed Vet's explanation to prove the defect. If you put the puppy down without my approval this contract is VOID. Once again, no replacement or refund will be given on a deceased puppy without a full Necropsy performed to determine cause of death.

All puppies can get loose stools, coccidia, giardia, or worms, especially after moving to a new environment. I will not make any guarantees for any kind of worm, coccidiosis, parvo, kennel cough, hypoglycemia or Guardia. These parasites and viruses are all too common in puppies and can be contracted from soil, pet stores and many other places. Retained testicles, bad bites, and hernias are excluded from this guarantee. I will not be responsible for illness or loss due to the new owner's treatment or lack of proper care. I assume no responsibility for injury after the puppy leaves my premises. I am not responsible for any veterinary expenses.

I also cannot guarantee the disposition, life span, size or color of any puppy.

This contract is non-transferable. If you sell or rehome the puppy the health guarantee become VOID.
